## SUPPLEMENT SPHERE OF INFLUENCE AMENDMENT

- For any sphere of influence amendment either initiated by an agency or individual, or updated as mandated by Government Code Section 56425, the following service review information is required to be addressed in a narrative discussion, and attached to this supplemental form (See Government Code Section 56430):
  - A. Growth and population projections for the affected area.

Growth and population projections for the affected area would be analyzed as part of any future annexation or Specific Plan land use plan to be considered by LAFCO, the City of Colton and the City of Loma Linda.

B. Location and characteristics of disadvantaged unincorporated communities within or contiguous to the sphere of influence.

This question does not apply. There are no disadvantaged unincorporated communities within or contiguous to the sphere of influence amendment.

C. Present and planned capacity of public facilities and adequacy of public services, including infrastructure needs or deficiencies, including those associated with a disadvantaged unincorporated community.

The present and planned capacity of public facilities and adequacy of public services will be provided by a future "Service Review" for annexation. The City of Colton would need to provide the full extension of services to the site.

D. Financial ability of agencies to provide services.

The financial ability of agencies to provide services would be analyzed and considered through an application of a Specific Plan and associated annexation.

E. Status of, and opportunities for, shared facilities.

The status of, and opportunities for shared facilities would be analyzed and considered through an application of a Specific Plan and associated annexation.

F. Accountability for community service needs, including governmental structure and operational efficiencies.

Accountability for community service needs, including governmental structure and operational efficiencies would be analyzed and considered through an application of a Specific Plan and associated annexation.
